## Amendment

**Policyholder:** County of Henrico - Henrico County Public Schools

**Group Policy No.:** GP-622734

**Effective Date:** January 1, 2012

The group policy specified above has been amended. The following summarizes the changes in the group policy, and the Certificate of Insurance describing the policy terms is amended accordingly. This amendment is effective on the date shown above.

1.) The following subsection entitled, *Pregnancy Coverage*, has been added to the *Temporary Disability Income Coverage* section of your *Temporary Disability Income* certificate:

## Pregnancy Coverage

Benefits are payable on the same basis as for a disease if a female employee, while covered under this Plan, is absent from active work because of a disabling pregnancy-related condition. If the female employee undergoes a C-Section delivery, while covered under this Plan, she will be deemed to be disabled for 8 weeks following the delivery. After 8 weeks are paid post-delivery, benefits are payable on the same basis as any condition. A physician's statement, with supporting clinical evidence that the employee is disabled because of the condition or has undergone a C-Section delivery will be necessary. Further, Aetna may request any additional evidence it believes is necessary before deciding that benefits are payable.
