<p>Health Savings Account If enrolled in the HDHP with Health Savings Account (HSA), you can contribute pre-tax dollars to your HSA*. Others may also contribute to your HSA account. The money in your account can be used to meet your annual deductible responsibility, as well as other qualified unreimbursed healthcare related expenses. Unused dollars can be saved or invested, and accumulate until retirement. *Must meet IRS qualifications to open a HSA.</p>	<p>The 2023 annual contribution maximum set by the US Treasury and IRS*: \$3,850 individual coverage \$7,750 family coverage (dependent coverage)</p> <p>Henrico's 2023 contribution to your HSA** \$1,200 individual coverage \$2,400 family coverage (dependent coverage)</p> <p>*These limits apply to all combined contributions from a source including dollars you contribute to your HSA and dollars your employer contributes to your HSA. Covered Medical Benefits	Cost if you use an In-Network Provider	Cost if you use a Non-Network Provider
Overall Deductible	\$3,000 person / \$6,000 family	\$3,000 person / \$6,000 family
Overall Out-of-Pocket Limit	\$4,000 person / \$8,000 family	\$6,000 person / \$12,000 family

The family deductible and out-of-pocket limit are embedded, meaning the cost shares of one family member will be applied to the per person deductible and per person out-of-pocket limit; in addition, amounts for all covered family members apply to both the family deductible and family out-of-pocket limit. No one member will pay more than the per person deductible or per person out-of-pocket limit.

Your copays, coinsurance and deductible count toward your out of pocket limit(s).

In-Network and Non-Network deductibles are combined and accumulate toward each other; however In-Network and Non-Network out-of-pocket limit amounts accumulate separately and do not accumulate toward each other.

Doctor Visits (virtual and office) *You are encouraged to select a Primary Care Physician (PCP).*
